TPRS - QSPI

QUALITY SERVICEABILITY PROFESSIONALISM INNOVATION

TPRS is a 1000+ members family. With *25 years of expertise*, we specialize in toughened safety glass, laminated safety glass, screen printed safety glass, digitally printed safety glass, curved glasses and insulated glasses for many applications including Architectural, Automotive and Industrial purposes. We have obtained necessary certifications viz. ISO 9001 : 2015, E Marking, IATF 16949, COP, ISI 2553 Part I & II, CE Marking, AS 1288 2006, DOW Corning Quality Bond Certification. We also export to UAE, European, African and Asian countries.

We have many established laboratories in which all the tests are conducted in line with required standards. We support rapid new product development, supply quality products and adhere to delivery commitments. We value our customer satisfaction which is a driving force in all walks of our development.

At MODDWELL we bring to you a wide range of design choices with extensive customization to give life to your imagination. We unravel the next generation of glass interiors for a healthy and happy living. From the house of TPRS glass, a two decades plus group expertized in architectural glass, MODDWELL is an exclusive house of curated designs and materials. WE provide a luxurious range of finely-crafted glass solutions tailored to your interior needs in terms of ease of use, energy efficiency, aesthetics, solar protection, and many more.

Glossary

Easy Clean Nano Coating - Water repellent nature of this transparent coating significantly avoids scaling of mineral deposits and soap scum, thus, maintaining an aesthetic appeal everyday with minimal cleaning.

Assured safety - Heat soaking performed to avoid auto-burst of toughened glasses as per EN 14179-1

***Warranty**

1 year - Fittings

3 years - Glass (Manufacturing Defects Only)

5 years - Easy clean Nano Coating
